Could Not Sleep, Nervous Headaches.

Gentlemen:—I have been taking

Saved My Life.

for I had almost given up hope of
ever being well again. I was a
chronic sufferer from nervousness and
could not sleep. I was also troubled
with nervous headache and had tried
doctors in vain, until I used your
Nervine. MRS. M. WOOD, Ringwood, Ill.

Mt. Sterling's New School.

The Mt. Sterling Female Semina-
ry, with Professor J. L. Tait, of
Portland, Oregon, as principal, is
already a certainty. On last Mon-
day Professor Tait, accompanied
by Dr. W. C. Taylor, of the Frank-
fort Baptist church, entered our
city with the view of prospecting
for a school for young ladies and
before the day was far spent they
had decided this was the location
for such a school, and Professor
Tait went to work to see how many
students could be secured, and by
Saturday evening he was fully
persuaded that he would have a
large and flourishing school. He
has rented property on North Mays-
ville street, No. 88, formerly oc-
cupied by Harris Institute. It is a
large brick structure centrally lo-
cated, which will serve to accom-
modate the students and boarders
for the first year. Professor Tait
has fitted himself specially for
school work and has had an expe-
rience of more than ten years in the
best schools of the country, and
has the best of recommendation,
both as a teacher and gentleman.
Mrs. Tait is also a trained teacher
and will give her time to the
school room, and the school will
also have an additional number of
experienced teachers.

The course of study will be
Primary, Preparatory, Academic,
College Preparatory, Commercial
and Shorthand.

The establishment of a school of
this character is badly needed here
and we are glad that we have a
man fully equipped with an unlim-
ited amount of industry with the
matter in hand. Professor Tait is
confident that the school will open
in September with at least one hun-
dred pupils, which would guaran-
tee, in a short time, new school
buildings, and place Mt. Sterling
to the front with other educa-
tional towns of the State.

Money for the Teachers.

I have received from the State
Treasurer the entire amount due the
teachers of this county and am very
anxious to get it out of my hands.
I will be glad if the teachers holding
claims will meet me in Mt. Sterling
next Saturday or Monday in order
that I may pay them.

Nervous

People should realize that the only
true and permanent cure for their
condition is to be found in having

Pure Blood

Because the health of every organ and
tissue of the body depends upon the
purity of the blood. The whole world
knows the standard blood purifier is

Hood's Sarsaparilla

And therefore it is the only true and
reliable medicine for nervous people.
It makes the blood pure and healthy,
and thus cures nervousness, makes
the nerves firm and strong, gives sweet
sleep, mental vigor, a good appetite,
perfect digestion. It does all this, and
cures Scrofula, Eczema, or Salt Rheum
and all other blood diseases, because it

Makes

Pure Blood

Results prove every word we have
said. Thousands of voluntary testi-
monials fully establish the fact that
